<<MONSTER 传奇MONSTER S>>

内容概要

Monster Stocks gives you the expert guidance you need to add the explosive power of breakout stocks to your portfolio. You'll find everything you need to consistently spot stocks that have the potential to at the very least, double in value in a year or less - and change your life forever! Delivered in clear, concise language by market researcher John Boik, Monster Stocks gives you the tools you need to land super-performing stocks and handle them for maximum profit, market cycle after market cycle. Boik mines the history of the market to uncover the common conditions that must be in place for monster stocks to materialize. You'll learn how to easily identify these trends with the help of real-world monster stock case studies, from Yahoo! and Schwab to Apple, Broadcom, and many more.
