<<麦克白 Macbeth>>

内容概要

As well as the complete and unabridged text, each play in this series has an extensive range of student's notes. These include detailed and clear explanations of difficult words and passages, a synopsis of the plot, summaries of individual scenes, and notes on the main characters. Also included is a wide range of questions and activities for work in class, together with the historical background to Shakespeare's England, a brief biography of Shakespeare, and a complete list of his plays. For this new edition, the text of the play, the notes, and the introductory matter have all been revised so as to make them clearer and more accessible. In addition, the entire text of the book has been redesigned and reset to make it easier to read. The illustrations have been completely redrawn, photographs of recent stage production have been included and there is a new, attractive cover design. 作者简介： Roma Gill, the series editor, has taught Shakespeare at all levels. She has acted in and directed Shakespeare's plays, and has lectured on Shakespeare all over the world.
