内容概要

Cracking the GRE brings you proven techniques from the test prep experts !

The 2008 edition includes over 300 practice questions and exclusive free access to practice exams and further review online.

In Cracking the GRE we ' ll teach you how to think like the test writers and

- Solve analogies even when you don ' t know the meanings of all the words in the problem

- Crack even the most complex algebra problems by plugging in numbers in place of variables

- Master even the toughest problems in the Verbal and Quantitative sections

We give you plenty of practice problems to help you master our proven techniques.

In addition , you can access 2 full-length GRE practice tests online.
Our practice questions are just like those you ' ll see on the real GRE – but with detailed answers and explanations for every question.
