<<Grouches Are Green 芝>>

内容概要

Being green means recycling and reusing things, which is good for the earth. Elmo knows that and so does his friend Oscar the Grouch, who has always been green, in every way. Oscar loves trash, and he loves to reuse it by turning it into something else. As everyone's favorite grouch shows his Sesame Street friends (including Big Bird, Bert, Ernie, and Zoe) how to be more eco-conscious, he proves that he's the greenest of green guys ever! This sturdy board book has a large lift-the-flap on the last page that gives readers a peek into Oscar's can, which is a lot bigger than it looks from the outside!
