内容概要

Emily Elizabeth has a big red dog--the biggest, reddest dog on her street, and his name is Clifford. How big is he? He's so big that when he runs after cars, he catches them in his mouth, and his doghouse is bigger than Emily Elizabeth's house. Needless to say, he makes an excellent watchdog. Children love the idea of the things you could do and the fun you could have with a giant dog, and Norman Bridwell's delightful, Clifford-proof board-book edition will not disappoint. (Baby to preschool)

Fuzzy felt on the cover lets readers pet the "biggest, reddest dog" on the block in Clifford the Big Red Dog 40th Anniversary Edition by Norman Bridwell. In this original 1963 text, young Emily proudly introduces her oversize pet and his unusual tricks. Ages 3-6.
