<<Commodity Trader's A>>

内容概要

Understanding the past and being aware of the present are essential to successfully navigating the commodities markets.

To make the most of your time in these markets—whether you ' re trading or hedging—you need the invaluable insights that can only be found in the Commodity Trader ' s Almanac.

Organized in an easy-to-access calendar format based on the bestselling Stock Trader ' s Almanac , the Commodity Trader ' s Almanac 2008: Highlights important market-based data and informs you of different market tendencies.

Features monthly almanac pages based around three major groupingsmetals , petroleum , and agriculture.

Alerts you to both seasonal opportunities and dangers.

Provides monthly and daily reminders.

Furnishes a historical viewpoint by providing pertinent statistics on past market performance as well as the supply/demand trends that create them.

Filled with a wealth of information regarding futures and commodities—from crude oil and coffee to gold and sugar—the Commodity Trader ' s Almanac 2008 will help you locate potentially beneficial market opportunities throughout the course of the year.

<<Commodity Trader's A>>
