In 1972, Barb Schwarz coined the term "Staging" to refer to the process of preparing a home for sale, and turned her idea into a brand new industry. Today, thanks to Schwarz's pioneering efforts, Home Staging has become a big business with enormous profit potential. If you are thinking about starting a Home Staging business of your own or just want to improve upon an existing one, then *Building a Successful Home Staging Business* is the book for you. Written in a straightforward and accessible style, this practical guide will show you exactly how to set up a Home Staging business, and help you run and maintain the business as it grows. Some of the issues outlined throughout these pages include:

- How to write a business plan, market your company, and make the most of your resources
- How to work through the consulting, bidding, and Staging processes
- How to establish solid relationships with real estate agents and brokers
- How to obtain your Accredited Staging Professional (ASP) designation
