## 内容概要

The authoritative information and advice you need, illustrated throughout with full-color photographs—now revised and redesigned to be even more reader-friendly! Frogs and toads are perennial favorite pets. They include easy-to-care for breeds and intriguing, exotic varieties. For both first-time pet owners and life-long hobbyists, frogs and toads can make fascinating pets, but it is essential to learn how to care for them properly. With colorful photos, charts, and tables, this guide covers the basics, including:

Choosing your frog or toad  
Creating and maintaining your pet's new habitat  
Feeding and caring for your frog or toad  
Keeping your pet healthy

You'll also learn about the varieties of frogs and toads, and about their existence in the wild.  
作者简介：STEVE GRENARD is an avid herpetologist with more than 40 years of experience with amphibians and reptiles. He is also the author of Bearded Dragon, Your Happy Healthy Pet, Second Edition.
