内容概要

Killer strategies for profitable investing “ With today ’ s soft real estate market and foreclosures at all-time highs , Alexis gives investors a clear plan on how to profit now.

Her honest and ethical approach to foreclosure investing shows you how to turn your financial goals into reality and become wealthy in every way.

” Barbara Corcoran , founder of The Corcoran Group , Chairman of Barbara Corcoran , Inc. , and bestselling author of If You Don ’ t Have Big Breasts , Put Ribbons on Your Pigtails.

“ Forget all the other over-hyped get-rich-quick foreclosure schemes !

Alexis ’ s newest book is the real thing.

Reading the book feels like you ’ re sitting at your successful friend ’ s kitchen table drinking a cup of coffee as she tells you all the secrets to make you a fortune in real estate foreclosures and REOs.

” Diane Kennedy , CPA , owner and founder of TaxLoopholes.com , and bestselling author of Loopholes of the Rich.

“ Alexis does a fantastic job describing in detail how to work the current foreclosure market.

Her style is easy to follow and yet detailed enough to keep a reader out of trouble.

I couldn ’ t put it down.

” Wendy Patton , author of Investing in Real Estate with Lease Options and “ Subject-To ” Deals and Making Hard Cash in a Soft Real Estate Market “ A very timely book! With real estate markets shifting so quickly , a lot of homeowners and residential investors will face troubled times.

This creates new opportunities , and for those who are interested in this type of investing , Alexis has written a very comprehensive primer.

Foreclosures are an edgy type of investment , and few know this market as well as Alexis.

This guide covers all the bases.

” Steve Bergsman , author of Maverick Real Estate Investing , Maverick Real Estate Financing , and Passport to Exotic Real Estate Killer strategies for profitable investing “ With today ’ s soft real estate market and foreclosures at all-time highs , Alexis gives investors a clear plan on how to profit now.

Her honest and ethical approach to foreclosure investing shows you how to turn your financial goals into reality and become wealthy in every way.

” Barbara Corcoran , founder of The Corcoran Group , Chairman of Barbara Corcoran , Inc. , and bestselling author of If You Don ’ t Have Big Breasts , Put Ribbons on Your Pigtails.
