<<FROMMER'S WALT DISNEY>>

内容概要

Completely updated for 2007, Frommer's Walt Disney World & Orlando is the perfect trip-planner for America's #1 vacation destination—Disney World. A total of 16.2 million people visited the Magic Kingdom—the world's top theme park—in 2005, according to Amusement Business magazine. Epcot attracted 9.9 million visitors, Disney – MGM saw an attendance of 8.6 million, and Animal Kingdom racked up 8.2 million visitors. This book will cover all of the highlights of the city, including the opening of Disney's latest thrill ride, Expedition Everest. It also features detailed itineraries for all of the Disney and Universal Orlando theme parks. The guide also includes info on Cypress Gardens adventure park, Busch Gardens, and Disney's newly revamped ticket structure. You'll also find individual park maps, up-to-date advice on finding the best package deals, and a free color fold-out map.
