内容概要

Build a high-profile Web presence in an hour! A high-quality Web site for your business or organization is easily within your grasp using the cutting-edge templates in this practical book. It's all here: 40 professionally designed templates on a CD, plus 80 variations--120 designs in all created just for this book--and the step-by-step instructions you need to choose one and customize it using your own content. Use WordPad or any basic text editor on your PC or Mac--that's all you need. The templates also work with any Web application such as Dreamweaver(r) or FrontPage(r). From simple one-pagers to complex business Web sites to killer blog pages, this book gets you live in one hour, without knowing HTML, JavaScript, or programming. Select the right template for your Web presence--business, professional services, e-commerce, retail, blog site, and more.

- Learn the basics of obtaining a URL, hosting a site, and going live.
- Add your own content quickly and easily.
- Go live right away with a free month of hosting from nexcess.net (with one-year contract).
- Add your own design elements with a free trial copy of Photoshop(r) Elements on CD.
- On the CD-ROM you'll find the working Web files for 120 Web templates, some including a Flash movie component. The CD also includes Photoshop Elements tryout version.
- System Requirements: Please see the CD-ROM appendix for details and complete system requirements.
