<<Symphony No. 5 门德尔松>>

内容概要

Mendelssohn composed the Symphony No. 5 ("Reformation"), Op. 107, for celebrations commemorating the Reformation and the Augsburg Confession. In it, he strove to formulate the idea of the Reformation in symphonic terms, conveying both the joy and suffering implicit in the subject, building to a powerful series of variations on Martin Luther's chorale *Ein feste Burg ist unser Gott* ("A mighty fortress is our God"). A staple of the orchestral repertoire, the work is reprinted here from the authoritative edition published by Breitkopf & Härtel of Leipzig.
