## <<我第一本关于美国民歌的书>>

### 内容概要

Young pianists and their teachers will welcome this treasury of favorites in musically attractive and pedagogically sound arrangements for beginners. Bergerae has written exclusively for young pianists since 1967, including original music and many easy arrangements of folk materials. His expert settings explore a full and satisfying piano sound within the natural capabilities of the beginning performer. The songs in this varied collection--arranged in their approximate order of difficulty--are presented in large, clear, easy-to-read musical notation, and are accompanied by delightful illustrations suggested by this charming music. The songs included are:
