<<Emanuel法律概述>>

内容概要

The most trusted name in law school outlines, Emanuel Law Outlines support your class preparation, provide reference for your outline creation, and supply a comprehensive breakdown of topic matter for your entire study process. Created by Steven Emanuel, these course outlines have been relied on by generations of law students. Each title includes both capsule and detailed versions of the critical issues and key topics you must know to master the course. Also included are exam questions with model answers, an alpha-list of cases, and a cross reference table of cases for all of the leading casebooks.
