## 内容概要

The second edition of the casebook was published in May 2005 and covers cases and developments through the end of October Term 2005, which concluded in June 2006. Thus, this supplement covers the last two years of the Supreme Court, October Terms 2004 and 2005. This has been a time of momentous developments on the Supreme Court, occasioned by the death of Chief Justice William Rehnquist and the retirement of Justice Sandra Day O'Connor. There are two new members of the Court, Chief Justice John Roberts and Justice Samuel Alito.
