内容概要

Flow Charts break every topic down to show individual rules of law and how those rules fit together. Capsule Summary analyzes all the key concepts in easy-to-read outline form. Exam Tips are drawn from our exclusive, painstaking analysis of exactly what has been asked on literally hundreds of past essay and short-answer law exams. Short-Answer Q&As provide extensive explanations. MBE-style Multiple-Choice Q&As include explanations of the wrong choices as well as the right choices. Complex issue-spotting Essay Questions present model answers. Learn how to spot subtle issues and how to argue both sides of a gray area.
