<<宽恕我的行星 Pardon My Pla>>

内容概要

Coast-to-coast readers of more than 150 newspapers such as the Los Angeles Times, San Francisco Chronicle, Atlanta Constitution, Chicago Sun-Times, and Toronto Star share Fagan's view of this laugh-out-loud strip that deftly balances the tightrope of political correctness. Pardon My Planet: Omigawd! I've Become My Mother! represents the first collection of this uproarious cartoon that finds humor in all that makes us a little uncomfortable. Lee's razor wit is delivered through an array of seven recurring characters, each with their own off-kilter look at the world. In one panel, middle-aged suburbanites Dennis and Chloe learn from their Realtor that they may have found a home in their price range, but "unfortunately, there's a Scottish terrier named Rusty living in it." In another panel, while twentysomething roommates Jesse-Jane and Norris are dining out, Jesse-Jane asks the server how the chicken is prepared. The waiter dryly replies, "With no sugar-coating. We tell them right up front they're going to die." At times, the humor of Pardon My Planet is subtle but speaks to a deeper truth. Other times it is flat-out bizarre. This heady and hilarious collection captures it all, laying bare the annoyances and eccentricities of the inhabitants of our planet in this strip's unique and fresh way.
