<<The Official SAT Que>>

内容概要

The College Board--maker of the SAT (R)--provides the only pager-per-day calendar with Official SAT practice questions. Every day, students can practice with a question just like the ones on the SAT and PSAT/NMSQT (R). The calendar features 365 questions (one per page); critical reading, writing, and mathematics questions; and free online answer explanations and hints. The calendar provides students with a convenient and fun way to get ready for the SAT. Through daily practice, students become familiar with the question types that they will see on test day.
