内容概要

在线阅读本书

Help your child learn about forensic science with this fact-packed guide, giant wallchart, interactive clip-art CD and dedicated website From how faces can be reconstructed to analysing DNA: let your child discover the remarkable ways in which forensic detectives can solve even the most baffling of cases. They'll discover more browsing the dedicated Eyewitness website and downloading 100s of amazing images from the clip-art CD. Then use the giant pull-out wallchart to decorate their room. Great for projects or just for fun make sure your child learns everything they need to know about forensic science.
