<<哈雷戴维森摩托大全harley dav>>

内容概要

"Harley-Davidson" is a visual celebration of the most famous motorcycle in the world. The history of this legendary brand is told through a series of stunning, full-color photographs of its most famous (and infamous) marques. Each featured machine is accompanied by fascinating text that describes its design, historical significance, and individual background, including the personal anecdotes of their owners. From the earliest "Singles" to the sport-bikes of the 21st century, the story of Harley-Davidson thunders to life in this exciting volume.
