<<每日甜品 Everyday Desser>>

内容概要

A dessert is something you simply have to leave a little space for, no matter how filling, tasty and satisfying your main dish was! There is such a wonderful array of delectable recipes in this book - warm, comforting, aromatic baked and steamed puddings, sumptuous pies and tarts, fresh and cooked fruits, light, elegant chilled desserts, rich creamy ice creams and refreshing sorbets - that you will hardly know where to start. The only solution is to start at the beginning and work through the book!
