<<圣诞节极致大全/The Ultimat>>

内容概要

Whether you are planning a traditional Christmas or a more contemporary celebration, this comprehensive guide will help to create a stylish, successful occasion for yourself, your friends and your family. This book takes all the possible stress out of Christmas, and includes over 70 recipes to make scrumptious Christmas food, from luxurious starters to delicious desserts. With a section on creating stylish decorations and stationery and helpful advice to ensure that everything goes to plan, this is the ultimate guide for the perfect Christmas.
