<<宝马的历史>>

内容概要

Packed with hundreds of archive photographs , most of them in full colour , The Ultimate History of BMW tells the fascinating story of one of the world ' s greatest marques.

Every important BMW model is here , from the rarly cars of the 1920s to the latest head-turners from the current BMW range-together with the inside story of James Bond ' s BMWs and that of the company ' s successes in touring car racing , at Le Mans and in Formula1.
