<<高原之光 PLATEAU LIGHT>>

内容概要

PLATEAU LIGHT focuses on the heart and soul of America's Redrock Country, expressing the beauty and wilderness of areas ranging from the Grand Canyon to Paria. Zion, Bryce, Canyonlands, Arches, the San Rafael Swell, Dirty Devil River, Capitol Reef and the Henry Mountains all captured David Muench's attention. His images also include vistas of the Vermillion Cliffs Wilderness and the Grand Staircase/Escalante National Monument. These landscapes one inspired the Anasazi, Fremont and Archaic peoples and serve as the perfect background for the petroglyphs and ruins they left behind. For the first time in softbound edition, these spectacular photos will inspire, delight and amaze, both readers and photographers alike.
