<<Green Start Stacking>>

内容概要

Brand new in the green start? series are the classic developmental toy, now made from Earth-friendly, recycled materials, stacking and nesting blocks. Ten sturdy boxes to stack, build, and nest feature beautiful illustrations and enriching content for hours of fun and learning. Kids will love stacking the boxes to build a tower with tons to explore from every angle, then nesting them back inside one another.

Kids will discover a different early-learning concept on each side! Learning letters, numbers, shapes, colors, and baby animals has never been so fun and easy!

<<Green Start Stacking>>

作者简介

innovativeKids creates award-winning books designed for everyday play and extraordinary learning, from birth to age 12 and beyond. More than just books, innovativeKids titles are also games, puzzles, and toys—because having fun is the best way to learn, and more fun means more learning. Our products inspire the potential in children around the world by encouraging a lifelong love of reading and learning. innovativeKids® books are distributed throughout the world, with co-editions published in a host of languages and countries.
