作者简介

Robert Reid Robert Reid is a main author of some books published by the Lonely Planet Publications Ltd. The Lonely Planet Publications Ltd When Tony and Maureen Wheeler arrived in Sydney the day after Christmas 1972 after a six month Asia overland trip from Europe they had 27 cents left between them. In late 1973 they started Lonely Planet Publications to publish *Across Asia on the Cheap*, the story of their trip from London to Australia. From that self-published guidebook Lonely Planet Publications has grown to become the world 's largest independent guidebook publisher with more than 500 titles in print, over 400 staff and offices in London and Oakland as well as the head office in Melbourne.
