<<The Rough Guide to S>>

内容概要

A brand new title encapsulating one of China ' s most significant cities - Shanghai - a city that represents buzzing and booming modern China in all it's glory. Well written, thoroughly researched and to the point, it gives a clear picture of what must be done and where, to get the most out of this progressive megacity.

Covering the Shanghai area as well as Putuoshan and the nearby canal towns, this guide provides you with all the facts, as well as those unusual places to go that will make for that extra-special and positively memorable trip.
