## 内容概要

There is a special bond between mothers and their sons and it never goes away. This new book contains the 101 best stories and poems from Chicken Soup's library honoring that lifelong relationship between mothers and their male offspring. These heartfelt and loving stories written by mothers, grandmothers, and sons, about each other, span generations and show how the mother-son bond transcends time. Some of these stories will make readers laugh and some will make them cry, but they all will warm their hearts and remind them of the things they love about each other. The first Chicken Soup for the Soul book was published in 1993, and became a publishing industry sensation, ultimately selling eight million copies. Since then, more than 150 Chicken Soup titles have been published, selling more than 100 million copies. Chicken Soup for the Soul had won dozens of awards over the past 15 years, and its founders, Jack Canfield and Mark Victor Hansen have become celebrity motivational speakers and authors.
