

图书基本信息

<<杏さゆり「in Thailand」>>

内容概要

This is a smaller sized soft cover photobook with photos of Sayuri from the same shoots as her first and second photobook. The book comes with a DVD that has about 1 hour of "making of" footage. A few clips are the same as the ones on the DVD that came with the Departure photobook, but most are different. The book consists mostly of bikini pics. You get very much Sayuri per yen with this book. Great book, great value.
