内容概要

《大学体验英语一课一练》是普通高等教育“十五”国家级规划教材《大学体验英语》的系列配套用书。

本系列用书在题型设计上紧扣《全国大学英语四、六级考试改革方案(试行)》，帮助学生提高实战能力；在内容安排上与《大学体验英语综合教程》和《大学体验英语扩展教程》各单元主题密切相关，便于学生生活学活用，举一反三。

本系列用书每册共10个部分，其中8个单元是《大学体验英语综合教程》相关各单元的配套练习，每单元由听力理解、词汇练习、阅读理解、综合运用和写作五部分组成。

本书为第二册。

听力理解部分包括短对话、短文、单词听写、复合式听写、正误判断和简短回答问题等题型，内容与该单元主题相关。

除单元配套练习外，本书还配有两套阶段性自测题，分别安排在第四单元和第八单元之后。

便于学生检测学习效果，调整学习重点。

自测题的设计原则与单元配套练习相同：突出学生英语实用能力的培养。

章节摘录

I am honored to be here to present you Bentley College . Two unique features of Bentley are powerful resources and a personal touch that make Bentley College a standout choice for students who are interested in business . As the largest business school in New England , Bentley offers state-of-the-art teaching facilities and labs rivaling those at nationally known universities . But we haven ' t lost the personal touch . The campus community is lively and close . knit . with accessible professors , small classes , and an excellent student-faculty ratio . All of our resources are dedicated to providing the most advanced business education possible . In fact , Bentley was one of the first colleges in the U . S . to require students to have personal computers . Today , the Mobile Computing Program puts a computer into every student ' s hands on opening days . Information technology is only one part of the picture , though . Bentley students also develop well ' rounded skills in analytical thinking , creative problem solving , and effective communication . Bentley has one of the lowest faculty-student ratios of 1 to 16 . Professors are accessible , committed to excellent teaching and advising as well as to pursuing research and scholarship in their field . Many have significant experience in the business world . You ' ll take away the broad perspectives and in-depth expertise in business needed to succeed in today ' s global , information . driven economy . If you have any questions . I will be sticking around for a minute or two to deal with any concerns you have .
