前言

音乐首先是一种感受,只有在感受中才能体验音乐,培育音乐感。英语也是一种感受,因此我们也可在感受英语的体验中学习英语,掌握英语。不步入音乐殿堂,我们很难体味音乐的美妙;不涉足英语世界,我们也很难体验英语世界的奥妙。我们的《大学体验英语》选择了一些文体轻松随意、内容亲切现实的英语素材,设计了一些有话可说、有话愿说的练习,使英语学习成为一种学生愿意参加的欢悦经历和体验。不少使用过和正在使用《大学体验英语》的学生,都感到“体验”二字乍听起来新奇,可学后又倍感名副其实。

对那些一学英语就感到畏难的同学来说,他们的心理负担在愉快的英语体验中开始缓解;对那些喜欢学习英语的同学来说,他们的英语在新的体验式学习当中得到升华。

同学们和老师们还把自己学习和教课的体验归纳成希望我们修订再版《大学体验英语》的意见,用各种方式告诉了我们。

意见提得中肯,我们听得认真,再版修订时我们更加发挥和完善了“体验”的特点。

在保持广大师生认可的第一版的体系、特质和风貌的基础上,更新了部分教材内容,将《大学体验英语》的修订重点放在语言交际训练的编排上,更便于学生去“体验”《大学体验英语》,“体验”英语学习乐趣,“体验”英语能力的不断提高。

第二版更好地体现了编写《大学体验英语》时确立的“加强听说、加强表达、加强实用”的三项原则。

与此同时,我们还聘请优秀的一线教师为每册教材编写了至少一课的典型示范教案,帮助教师更好地引导学生去“体验”英语。

章节摘录

Talking Is Essential Among Friends Talking is an integral component of friendship. In any friendship, some talking is merely one person reciting his/her self-centered problems. However, talking between friends requires reciprocity. In a mutually satisfying friendship, both friends talk and both friends listen, usually to an equal degree.

When a friend talks and reveals ideas or feelings, he/she is expecting shared information in return. When the talk is not equal, the friend talking feels as if the listener is uninterested. In fact, the friend who is always the listener is really playing the role of a counselor, not that of a friend. Anytime you have been talking for more than a minute or two without participation from the person you are talking to, you are lecturing, bossing, or putting your friend in the role of a counselor.

People talk for many reasons. And people don't talk for just as many reasons.

Why Talk ?

People talk to extend themselves to another, to accept responsibility for the growth of the relationship, and to share ideas or feelings with someone else. Good, rich conversation is always available for friends and lovers.

Why Not Talk ?

People don't talk for a variety of reasons. One person may be shy. Another may not know what to say in a particular situation such as the death of a relative. The timing may be off. A night owl may seldom talk in the morning. A friend reacting to stress may be temporarily mute. Non-talking can be used as a defense, as manipulation of another, or even as punishment. And last, but not least, talking can be a lot of work. But friendship is a lot of work as is anything worth having;

How to Talk ?

Be excited. People who talk enthusiastically and with vocal animation are listened to more often by everyone.
