书籍目录

前言

内容说明

Unit One CAD and CAM( )1

Section A1

Listening & Speaking1

Section B3

Text A AutoCAD3

Text B Computer Aided Manufacturing9

Text C Sunday School Teacher11

Section C15

Translation Skills 数词的译法(一)15

Unit Two CAD and CAM( )18

Section A18

Listening & Speaking18

Section B20

Text A CAM and Applications20

Text B CAD/CAM27

Text C Father30

Section C34

Translation Skills 数词的译法(二)34

Unit Three Computer Integrated Manufacturing37

Section A37

Listening & Speaking37

Section B39

Text A Computer Integrated Manufacturing39

Text B CIM46

Text C Greenland—Where Santa Claus Comes48

Section C51

Translation Skills 否定结构的翻译(一)51

Unit Four The History of NC and CNC Development55

Section A55

Listening & Speaking55

Section B57

Text A The History of NC and CNC Development57

Text B NC and CNC62

Text C What Is Happiness?64

Section C68

Translation Skills 否定结构的翻译(二)68

Unit Five CMM and EDM71

Section A71

Listening & Speaking71

Section B73

Text A Electrical Discharge Machining73

Text B Coordinate Measuring Machines79

Text C Misunderstanding Means East? West Cultural Clash81

<<机电行业基础英语 下册>>

Section C85	
Translation Skills长句的翻译(一)	85
Unit Six Introduction to Group Technology(GT)	88
Section A	88
Listening & Speaking	88
Section B	90
Text A Introduction to Group Technology(GT)	90
Text B Design Retrieval	96
Text C Energy	98
Section C	101
Translation Skills长句的翻译(二)	101
Unit Seven Introduction to Simulation	104
Section A	104
Listening & Speaking	104
Section B	106
Text A Introduction to Simulation	106
Text B Graphic Simulation	112
Text C Beautiful Smile and Love	115
Section C	118
Translation Skills 科技术语的翻译	118
Unit Eight Introduction to Design of Mechanism System	121
Section A	121
Listening & Speaking	121
Section B	123
Text A The Future Factory Is Digital	123
Text B Industrial Robots	129
Text C Job Interview Tips	132
Section C	136
Translation Skills 科技英语翻译练习	136
Appendix A Glossary	138
Appendix B Sign Language Alphabet	146
Appendix C Text Translation	147
References	173
