内容概要

English365 is a Business English and general English course. It is for learners who want to develop their English skills for their work and their social and travel needs, and therefore reflects the work-life balance of busy working adults. English365 Personal Study Book 2 is for low-intermediate to intermediate level learners. The Personal Study Book contains:

- Better language learning-ideas about what good learners do to learn more English
- Language for language learning-an alphabetical list of all the grammatical and other terms used in the Students Book
- Practice exercises-one page of self-study exercises per unit of the Students Book for additional practice
- a full answer key to the exercises
- a complete tapescript of the contents of the Personal Study Book
