## <<创伤外科实用图谱>>

### 内容概要

The authors wish to dedicate this edition of Operative Trauma Management: An Alas to our surgical Heitage. Specifically we will be forever indebted to our mentors, teachers, colleagues, house officers, students, and patients, from whom we continue to learn as we practice the art and science of surgey. To our parents and specifically our spouses, Carina, and Sue we owe our most sincdere gratitude for their love, support,and companionship that have allowed us to pursue our intellectual curiosities as well as share our time with those in need.
