<<西藏人口发展与问题研究>>

作者简介

Zhang Tianlu, male, born in Sichuan Province in 1927, began to teach at the Central Institute for Nationalities upon his graduation from the Geography Department of Sichuan University in 1953. Since 1980 he has worked at the Population Research Institute of the Capital University of Economics and Trade, making special studies of the population of China's minorities. In the past decade, he has published many books and theses in this field, including Demography of China's Ethnic Groups (1989), The Muslim Population in China (1991), A Study of the Minority Populations of China (1988), A Study of the Populations of the Minority Communities of China (1992), The Development of the Populations of China's Ethnic Groups (1993), The Past, Present and Future of Tibet's Population (1994), Research on the Populations of China's Minorities (1995).

<<西藏人口发展与问题研究>>
