作者简介

圣艾修伯里（1900-1944）

生于法国的里昂。

他一生喜欢冒险，热爱飞行，并一边飞行，一边思索着人生。

1944年在一次执行飞行任务中，他驾驶的飞机消失在地中海的上空，从此一去不返，他的命运也成为世界文学史上的迷。

章节摘录

插图：hammer." Again the little prince disturbed my thoughts:"And you actually believe that the flowers -""Oh, no !

I don't believe anything. I answered you with the first thing that came into my head. Don't you see- I am very busy with matters of consequence !

"He stared at me, thunderstruck."Matters of consequence !

"He looked at me there, with my hammer in my hand, my fingers black with engine-grease, bending down over an object which seemed to him extremely ugly..."You talk just like the grown-ups !

"That made me a little ashamed. But he went on, relentlessly:"You mix everything up together... You confuse everything..."He was really very angry. He tossed his golden curls in the breeze."I know a planet where there is a certain red-faced gentleman. He has never smelled a flower. He has never looked at a star. He has never loved any one. He has never done anything in his life but add up figures. And all day he says over and over, just like you: 'I am busy with matters of consequence !

' And that makes him swell up with pride. But he is not a man —— he is a mushroom !

""A what ?

""A mushroom !

"The little prince was now white with rage."The flowers have been growing thorns for millions of years. For millions of years the sheep have been eating them just the same. And is it not a matter of consequence to try to understand why the flowers go to.
