章节摘录

Note that last again : "Without purpose , the days would have ended , as such days always end , in disintegration." If you and I are worried , let's remember that we can use good old-fashioned work as a medicine. That was said by no less an authority than the late Dr. Richard C. Cabot , formerly professor of clinical medicine at Harvard. In his book *What Men Live By* , Dr. Cabot says : "As a physician , I have had the happiness of seeing work cure many persons who have suffered from trembling palsy of the soul which results from overmastering doubts , hesitations , vacillation and fear.... Courage given us by our work is like the self-reliance which Emerson has made for ever glorious." If you and I don't keep busy - if we sit around and brood - we will hatch out a whole flock of what Charles Darwin used to call the "wibber gibbers". And the "wibber gibbers" are nothing but old-fashioned gremlins that will run us hollow and destroy our power of action and our power of will.

I know a businessman in New York who fought the "wibber gibbers" by getting so busy that he had no time to fret and stew. His name is Tremper Longman , and his office is at 40 Wall Street. He was a student in one of my adult-education classes; and his talk on conquering worry was so interesting , so impressive , that I asked him to have supper with me after class; and we sat in a restaurant until long past midnight , discussing his experiences. Here is the story he told me : "Eighteen years ago , I was so worried I had insomnia. I was tense , irritated , and jittery. I felt I was headed for a nervous breakdown. "I had reason to be worried. I was treasurer of the Crown Fruit and Extract Company , 418 West Broadway , New York. We had half a million dollars invested in strawberries packed in gallon tins. For twenty years , we had been selling these gallon tins of strawberries to manufacturers of ice cream." Suddenly our sales stopped because the big ice-cream makers , such as National Dairy and Borden's , were rapidly increasing their production and were saving money and time by buying strawberries packed in barrels.
