Unit 6 Buddhist Temple Complex
Unit 7 Ancient Tombs
Unit 8 Festival Celebrations in China
Unit 9 Wild Animals
Unit 10 Tours of Theme Park

章节摘录

插图：Answer to Question 1: Yes. Answer to Question 2: Feng Shui: (pinyin) , feng shui; is an ancient Chinese system of aesthetics believed to utilize the laws of both Heaven (astronomy) and Earth (geography) to help one improve life by receiving positive Qi. The term Feng Shui is literally translated as "wind-water" in English. Qi rides the wind and scatters, but is retained when encountering water. Traditional Feng Shui practice always requires an extremely accurate Chinese compass, or Luo Pan, in order to determine the directions in finding any auspicious sector in a desired location. Feng Shui holds a concept of trying to harmonize the flow of life-energy (Qi in Chinese) through the house.
