章节摘录

Ladies and Gentlemen , Comrades and Friends : The year 2004 is the key time for Chinese people to continue to carry out the spirit of the 16th National Congress of the Communist Party of China and realize the tenth Five-year Plan. We shall continue to make economic construction the central task and stick to the pursuit of comprehensive , coordinated and sustainable development. We will continue to deepen reforms; open wider to the outside world; and maintain steady , rapid , coordinated and healthy development of the national economy. We shall improve our social undertakings in a comprehensive manner and continue making efforts to push forward the building of a well-off society in an all-round way and to open a new chapter for a socialist cause with Chinese characteristics. We shall continue to steadfastly implement the policy of "one country , two systems" , Hong Kong people governing Hong Kong , Macao people governing Macao and a high degree of autonomy. We shall handle things in strict conformity with the Basic Law of Hong Kong and the Basic Law of Macao and support the governments of Hong Kong and Macao special administrative regions to govern according to law. The Chinese mainland shall strengthen economic and trade ties with Hong Kong and Macao to help maintain long-term prosperity and stability there. Twenty-three million Taiwan compatriots are our brothers and sisters linked by flesh and blood , so we are very much concerned about their interests and happiness. Chinese people will continue to make efforts towards the country's reunification by adhering to the basic principle of "peaceful reunification , one country , two systems" and the eight-point proposals for promoting exchanges between the two sides of the Taiwan Straits and the peaceful reunification. We shall strengthen exchanges between both sides of the Taiwan Straits as well as exchanges in the fields of economics and culture. We shall try our best in all sincerity to realize the peaceful reunification of our motherland. We firmly oppose Taiwan's separatist activities in any form. Any attempts by anyone to separate Taiwan from the motherland will not be tolerated. We firmly believe that with common efforts made by all Chinese people , including our Taiwan compatriots , the complete reunification of our motherland can be achieved at an early date.
