<<大学英语快速阅读2>>

内容概要

本教材首先是紧扣最新变化，无论是阅读篇幅还是题型都严格按最新大学英语四级考试要求编写。其次是选材多样，内容新颖，信息量大，所选短文全部是近两年英美正式发表的，以介绍英美社会、人文、习俗等背景知识为主，每单元以一个话题为中心。

本书的编写宗旨不以应试为目的，而在于给学生提供高质量的英语阅读文章，使学生在愉快的阅读中欣赏美文，开阔视野，并在不知不觉中掌握阅读技能，尤其是快速阅读技能。

最后，本教材适合于课堂和自学两种教学模式。

每单元由四篇文章组成，前两篇为课内阅读，由教师按规定的时间安排随堂练习，有计划、有步骤地培养学生的阅读技能；后两篇文章为课后阅读，可作为课后作业和学生自主学习的材料，进一步强化和巩固课内所学的知识。

 Keys to Fast Reading(Book Two)

<<大学英语快速阅读2>>

章节摘录

In spite of the noblest efforts, however, everybody does get a little behind in something some time. When this happens to you, catch up. Don't skip the parts you missed and try to go ahead with the rest of the class while there is still a big gap showing. What you missed may make it impossible, or at least difficult, to understand what the rest of the class is doing now. If you are behind, lengthen your study periods for a few days until you catch up. Skip the movie you meant to see or the nap you planned to take. Stay up a little later, if you have to.
