章节摘录

插图：The main building has a height of 34 stories. It boasts 845 guest rooms, ranging from standard rooms, deluxe suites and business suites to presidential suite. Each room is elegantly designed and well equipped with luxurious toilets, full-size desks, color televisions, refrigerators, and individual climate control. Internet access and IDD telephones are also available to meet your communication needs. The exquisitely beautiful Atrium lobby is an indoor microcosm of the famed landscapes of Southern China. Here waters abound, with a veil-like cascade and a spectacular rockery. Atop the rockery sits an elegant Chinese pavilion, octagon-shaped, with its richly ornate gold top, and a profusion of luxuriant vegetation and flowers. Restaurants offering a wonderful variety of Chinese and Western food spread over the public areas from the first floor to the third floor. The Jade River Restaurant, with its exquisite garden decor, is famed for its high standard Cantonese cuisine. The Coffee Shop and the Grill Room serve excellent Western cuisine in an elegant ambience with river view. The Provincial Restaurant is specialized in the regional cuisine of Beijing, Sichuan and Shanghai. A Japanese Restaurant offers ethnic Japanese food, the traditional tastes of Kyoto. The Wanfu Pleasure Boat provides the best chance to enjoy the beautiful scene of the Pearl River. The tea lounge was designed for comfort and intimacy. Even the most avid sportsperson or the most discerning traveler will be impressed with what the White Swan has to offer. There's a fully equipped health club and spa, two swimming pools, squash courts, indoor and outdoor tennis courts, two jogging tracks and a golf driving range. Fine antiques are among many souvenirs and branded items to be founded in the hotel's shopping arcade. An Elizabeth Arden's Red Door beauty salon can take care of all your cosmetic and personal needs.
