<<年轻人最爱读的156则英文寓言>>

内容概要

作为一种文学体裁，寓言以短小易懂。

寓意深刻而深受人们喜爱。

许多难以一下子说清道理的抽象道理，往往可以用一则寓言解释得清晰透彻。

不过寓言并不是直接灌输道理，而是通过一个可读性很强的故事，用比喻、影射，象征等艺术手法来表现道理。

因此，有人说寓言是一个魔袋，袋子很小，却能从里面取出很多东西来，甚至能取出比袋子大的多的东西；也有人说寓言是一座独特的桥梁，通过它，复杂可以走向简单，单纯可以走向丰富。

在这座桥梁上来回走几遍，我们既看见了五光十色的生活现象，又发现了生活的内在意义。

不管寓言是什么，总之寓言很美，美在简洁，美在内涵，美在语句。

章节摘录

Long , long ago , there was a farmer in a little village. He lived with his wife , a young son and his own old father. Every day , the farmer ' s wife wove cloth to make some extra money for the family. As time passed , the farmer ' s father became very old and weak. He could not help them in any work at all. The farmer and his wife felt that he was a burden to them. They no longer took good care of him. The old man was given only a little food to eat and old , torn clothes to wear. Sometimes , without his parents ' knowledge , the farmer ' s son would give the old man some extra food. He loved his grandfather very much. One day , the boy ' s parents found out about the extra food and they scolded their son. The old man often mumbled unhappily to himself , and the farmer and his wife grew more and more impatient with him. The farmer finally decided to put his father in a large basket , take him to a faraway place , and leave him there. " What if the neighbors ask about him ? " asked the farmer ' s wife worriedly. " We ' ll just say that he ' s gone to spend his last days in a holy place , " answered the farmer. They did not know that their son had overheard their conversation. The next day , when the farmer went out to buy the basket , the boy asked his mother , " Why do you want to chase grandfather away ? "
