## <<发现中国>>

### 内容概要

Discover China, a book for readers around the world, can also be a popular learning aid for people who are interested in Chinese culture. This book is filled with 100 interesting subjects, each visually demonstrated with appropriate Chinese elements, ranging from Chinese history, geography to her economy and education. From traditional festivals to modern living, beautiful sceneries and unique local lines, the informative nature of this book presents a traditional yet modern China to its readers.
