章节摘录

When you take a walk in any of the cities in the West , you often see a lot of people walking dogs. It is still true that a dog is the most useful and faithful animal in the world , but the reasons why people keep a dog have changed. In the old days people used to train dogs to protect themselves against attacks by other beasts. And later they came to realize that a dog was not only useful for protection but willing to obey his master. For example , when people used dogs for hunting , the dogs would not eat what was caught without permission. But now people in the city need not protect themselves against attacks of animals. Why do they keep dogs , then ? Some people keep dogs to protect themselves from robbery. But the most important reason is for companionship. For a child , a dog is his best friend when he has no friends to play with , For young couples , a dog is their child when they have no children. For old couples , a dog is also their child when their real children have grown up. So the main reason why people keep dogs has changed from protection to friendship.
