Wilpon's gentle approach made infmitely more sense. The guard felt great about the compli-ment. And you can bet he'll recognize Wilpon the next time the two of them Fred Wilpon is a leader and not just because of the title he holds or the salary he earns. What happen to meet. him a leader of men and women is how he has learn-ed to mteract. In the past people in the makes business world didn't give much thought to te true meaning of leadership. The boss was the boss, and he Well-run companies-no one ever spoke about "Well-led was in charge. Period. End of discussion. companies"-were the ones that operated in almost military style.
