章节摘录

版权页： 插图： W: Hi, there! Welcome to our restaurant Sunny Italy. We have lots of delicious foods. Let me introduce them. We have five kinds of dishes. We have four kinds of pizza. Veggie pizza is \$8. It is for vegetarians. Mediterranean pizza costs \$8.50. It is very yummy. If you like meat, I suggest you eat the Ham and Cheese pizza. It is not very expensive. Just \$9. Of course, we also have a kind of pizza called the Grandma pizza. It is \$10.50. It can remind you of your grandma's kitchen, I suppose. Next, let me introduce some side dishes. We have French fries. They cost \$2. We also have a Spring salad. It is very healthy. It costs \$3. Let's go to the last part—drinks. There are three kinds of drinks available. First, coffee. It is \$1. The second kind, milk, which costs \$2. The third one is Coke. It costs \$1.50.
