## <<中国的环境问题>>

### 内容概要

The IUAES is one of the member organizations of the International Social Science Council ( ISSC ) and also of the International Council for Philosophy and Humanistic Studies ( ICPHS ) . The IUAES is also a member of the International Council of Scientific Unions ( ICSU ) . Its aim is to enhance exchange and communication among scholars of all regions of the world , in a collective effort to expand human knowledge. In this way , it hopes to contribute to a better understanding of human society , and to a sustainable future based on harmony between nature and culture.

<<中国的环境问题>>
