## 章节摘录

For an hour or more that evening !

listened to his monotonous chirrup about bad money driving out good , the token value of silver , the depreciation of the rupee , and the true standards of exchange. Suppose , he cried , with feeble violence , that all the debts in the world were called up simultaneously and immediate payment insisted upon. What , under our present conditions , would happen then ?

I gave the self-evident answer that I should be a ruined man , upon which he jumped from his chair , reproved me my habitual levity , which made it impossible for him to discuss any reasonable subject in my presence , and bounced off out of the room to dress for a Masonic meeting. At last I was alone with Gladys , and the moment of fate had come !

All that evening I had felt like the soldier who awaits the signal which will send him on a forlorn hope , hope of victory and fear of repulse alternating in his mind. She sat with that proud , delicate profile of hers outlined against the red curtain. How beautiful she was !

And yet how aloof ! We had been friends , quite good friends ; but never could I get beyond the same comradeship which I might have established with one of my fellow-reporters upon the Gazette——perfectly frank , perfectly kindly , and perfectly unsexual. My instincts are all against a woman being too frank and at her ease with me. It is no compliment to a man. Where the real sex feeling begins , timidity and distrust are its companions , heritage from old wicked days when love and violence went often hand in hand.

忘了迈克尔·克赖顿的书和斯皮尔伯格的电影吧，这本书中讲述的失落世界中的恐怖历险才是真正的原创。

——书店 这个历久弥新的冒险故事不仅为《金刚》和《侏罗纪公园》提供了灵感，而且仍是同类故事中最引人入胜的。
