章节摘录

He was born in Liverpool , England , on June 18 , 1942 . He started to play the guitar (吉他) seriously when he was 14 . When he was 15 he met and formed a band (乐队) with another boy from Liverpool , John Lennon . This was perhaps the most important point in his life . In 1961 , Paul and John helped to form the Beatles , which became the most successful band ever in the history of rock music . Their second song , "Please please me" , went straight to the top of the British chart in 1963 . During the 1960s the Beatles continued to make successful songs . But in 1970 , after they had been playing together for 10 years , the band broke up . In 1972 , Paul formed a new band , Wings , but it was never as successful as the Beatles . And it broke up after seven years . Since the 1980s Paul has written pop music and has worked on films . He has also opened a school in Liverpool . In 1969 , Paul got married (结婚) . He loved his wife , Linda , very much . They had children and a happy life for many years . But Linda died in April 1998 . Paul was very sad . Paul McCartney is one of the best songwriters and musicians that no rock fan (摇滚爱好者) will ever forget .
