<<翻译人才培养的全球视野>>

内容概要

《翻译人才培养的全球视野:国际大学翻译学院联合会2011年会论文集》 This book contains a selection of papers presented at CIUTI—Forum Beijing 2011 by participants from international and professional bodies , from the industries and from universities. Together, they present a panoramic picture of the state of the art concerning the fast development of translation and interpreting training worldwide and the need for cooperation between international organizations and universities , and between the industries and the T&I trainers. The 21 papers in this volume fall under the following subheadings : (1) T&I Studies : a Global Vision ; (2) T&I Studies : Programme Development in the Far East ; (3) T&I Training at a Close Range and (4) New Perspectives on T&I Studies.
